FRIDAY 7
11 a.m. Levesque

Dear Jean,

I saw Peter de JANOSI the other day and discussed with him the plans for a European Consortium. I think this scheme has real possibilities and am very anxious to help you work it out in concrete terms. It is clear that the European Group set up in June can prove useful as a preparatory step but the Consortium obviously goes several steps further.

I hear from Juan that you will come to Yale on Monday 10 Nov. How about setting up a meeting with deJANOSI the Saturday before or even the Friday? He will be in Europe until around the 1st and expressed interest in seeing the two of us soon thereafter. We may be able to persuade him to come to New Haven. Do drop him and a line or phone us soonest. My telephones are 436-4497 at Yale and 288-8172 at home (area 203).

With all best wishes

Yours
Stein
